Field trips are offered during the school year, October-June.

Eligible schools include:

- Pre-K through 12th-grade classes from public or private schools
- College classes

Choose from our four types of field trips:

- **Tide Talks + self-guided:** 25-minute interactive talk plus Aquarium visit
- **Ocean Connection Lab + self-guided:** 45 or 60-minute hands-on lab plus Aquarium visit
- **Self-guided only:** Lead your class through the Aquarium exhibits at your own pace
- **Virtual Tide Talks (Zoom):** Live ocean-themed talk from our educators to your classroom

Note:

- All on-site programs must check in 15 minutes before the scheduled program time.
- School groups require a minimum of one adult chaperone per 10 students.
- Bilingual programming is available.
- Each classroom gets one free visit per school year.
